STUX CAPITAL MANAGEMENT ANNOUNCES AGREEMENT WITH SOUTH AVENUE INVESTMENT PARTNERS

New York, NY – Stux Capital Management announced today that it has signed a sales and marketing agreement with South Avenue Investment Partners to develop Stux’s institutional assets under management.

South Avenue, located in Sherman Oaks, California, was founded by T. Jon Williams on April 1, 2009 to assist investment managers with institutional sales and marketing initiatives.

“We are excited to have Jon join our efforts to accelerate our asset growth,” said Ivan Stux, President and Chief Investment Officer of Stux Capital Management. “Jon has over 20 years of experience in the institutional money management and consulting business and provides a deep knowledge of the institutional investment management landscape.”

T. Jon Williams, Ph.D., CFA, is a former Managing Director with Epoch Investment Partners, Managing Director with myCFO Investment Advisory Services and Partner with Asset Strategy Consulting.

Mr. Williams said “I am very excited to have the opportunity to work with Stux. They have a stable and experienced investment team, a commitment to ongoing research, and a proven investment record demonstrating consistent risk-controlled returns.”

About Stux Capital Management

Stux Capital Management manages analytically disciplined, U.S. large cap equity portfolios for institutional investors. The firm offers Core Structured (enhanced index), Core, Growth, and Value strategies. As of March 31, 2010, the firm had \$588 million in assets under management. The firm is 35%-owned by Strategic Investment Group Ventures (a joint venture of CalPERS and Strategic Investment Group). The firm was founded in 2001 by Ivan Stux, Ph.D., who was previously with Morgan Stanley for 16 years where he served as head of analytical and quantitative research and development for equity and equity derivative investment strategies. The firm’s website is www.stux.com.
